“ The gift of light is one of the most precious gifts that can be given to those in a time of darkness.”  
- Preston Jackson
Grieving children often feel alone because they may not know anyone their age who has experienced the death of a family member or friend. Grief comes in “waves” for children. Support can help your child whether it has been just weeks, several months, or even years since the loss.

For 17 years, Kourage Kids camp offers children and teens a day of support and fun. Thanks to a grant from the UnityPoint Health – Methodist | Proctor Foundation, Kourage Kids grief camp is provided free of charge by UnityPoint Hospice - Peoria to children who have lost a loved one.

Stephanie lost her mom to skin cancer at the age of 4. The following year, she and her siblings attended Kourage Kids camp for the first time. She remembers riding horses, signing t-shirts of fellow campers and being able to talk to others who could relate. They went on to attend camp for several more years.

When Stephanie was in 8th grade, she needed some volunteer hours for confirmation so she contacted Kourage Kids Camp about becoming a volunteer counselor. “I wanted to volunteer because losing my mom was hard, but channeling it in a way to help others made my experience worth it.”

Frank Valente, from UnityPoint Health- Peoria Hospice, said “it’s not common for kids to come back and volunteer, but Stephanie was an exception. She was very mature and wanted to give back. We worked with her parents to make sure she was ready for the opportunity and she did an excellent job.” Stephanie volunteered for 4 years, before relocating with her family to Florida.

“Being a younger counselor, children could relate to me a little more. I remember one super quiet boy grabbed my hand and asked me to sit next to him. When I did he said, my mom died, that was him opening up to me and it was meaningful and rewarding.”

Stephanie is an adult now, working full time and set to begin college this spring and continuing to make an impact on the community in Florida, but she is thankful for the things that Kourage Kids camp taught her.

Thank you to the Foundation for providing a grant to support Kourage Kids Camp.
LEGACY SOCIETY

Individuals who have acknowledged to us that the UnityPoint Health – Methodist | Proctor Foundation is included in their will are members of the Legacy Society. In addition to their names being listed near the annual donor wall, they are invited yearly to the Partners In Unity dinner in the spring.

These societies represent community members, grateful patients and families, volunteers, physicians, nurses, alumni, hospital employees and so many others who give generously to support us in providing the Best Outcome For Every Patient Every Time in our community.

For more information about how to join a society, please contact the UnityPoint Health – Methodist | Proctor Foundation at (309) 672-5741.

SUPPORTING LIVES

Donations from a grateful family allowed for the Labor and Delivery Department to receive a Cuddle Cot. The Cuddle Cot provides an opportunity for extended grieving time after the loss of a newborn.

ENHANCING PATIENT EXPERIENCE

A grant from the Foundation funded the Reach Out and Read program at the Family Medical Center. This program provides a book to each child during their well child exam.

SUSTAINING PATIENT CARE

A grant from the Foundation helped fund upgrades to the Proctor Emergency Department.
