My name is Dr. Scott Reid, I am a surgeon here at Unity Point Peoria. I try to

0:00:12.289,0:00:17.420

have a pretty good work-life balance. I think that while I love doing what I do

0:00:17.420,0:00:22.279

and I feel very fortunate, I think I'm better at what I do

0:00:22.279,0:00:25.910

if I'm also exploring those opportunities outside of work.

0:00:25.910,0:00:31.189

I was actually born in Tennessee about 70 miles south of Nashville and then

0:00:31.189,0:00:34.850

when I was about 10 we moved to the Chicago area and then that's really

0:00:34.850,0:00:41.180

where I grew up. It's gonna sound kind of corny but it was one of these things

0:00:41.180,0:00:44.750

that I just always knew I wanted to do. I didn't know that I wanted to do surgery

0:00:44.750,0:00:49.220

but I was pretty confident really from the time I was in high school that I

0:00:49.220,0:00:53.090

wanted to go into medicine, and then as I got through medical school and rotated

0:00:53.090,0:00:56.690

through the different specialties I just really decided that surgery was

0:00:56.690,0:01:01.150

my passion and that's where I thought I could help people best.
