1

00:00:05,120 --> 00:00:12,000

Hello, I'm Dr. Jeffrey Williamson. Surgeon with UnityPoint. I've been here

2

00:00:12,000 --> 00:00:16,859

in Peoria for about the last 26 years as  
a general surgeon, and colon rectal

3

00:00:16,859 --> 00:00:23,850

surgeon. I enjoy reading, I grew up  
having an absolute interest in

4

00:00:23,850 --> 00:00:28,710

history particularly American history. I  
was raised in a family where my father

5

00:00:28,710 --> 00:00:35,219

was a surgeon and virtually all I knew  
was the medical profession in life. In

6

00:00:35,219 --> 00:00:41,070

fourth grade one of my best friends in

school affirmed to me by calling me his

7

00:00:41,070 --> 00:00:46,140

nickname doc. He knew that my  
dad was a surgeon at the time, so that

8

00:00:46,140 --> 00:00:52,860

kind of stuck with me, and the desire to  
get into medicine was always there. I see

9

00:00:52,860 --> 00:00:58,890

my profession as something other than a  
vocation, my career is really an

10

00:00:58,890 --> 00:01:05,660

extension of of my faith and that's my  
extended mission field.
