INTRODUCTION

This NOTICE describes how medical information about you may be used and disclosed and how you can get access to this information. Please review it carefully.

We are required to maintain the privacy of your health information and to provide you with this Notice of Privacy Practices. We may change our practices and make new provisions of privacy practices as provided for in this Notice. If we make a material change, the new practices will apply to all of your health information that we maintain.

WHEN CAN WE USE AND REVEAL YOUR HEALTH INFORMATION?

We may use or disclose your health information for purposes of treatment, payment and health care operations as described below.

TREATMENT.

We may use or disclose your health information for purposes of treatment, which means obvious preventive, diagnostic, curative, rehabilitative, and/or palliative care services, including the provision of health care and related services to help improve your health status.
