

The Junior Volunteer Program is a part of UnityPoint Health St. Luke's Volunteer Services and is supported by St. Luke's Partners (formerly known as the Auxiliary). Junior Volunteers are members of the health care team of St. Luke's Regional Medical Center.

ST. LUKE'S JUNIOR VOLUNTEERS:

- Experience the personal satisfaction that comes from supplying the warmth, humor and little extra services that do so much for our patients.
- Gain a better understanding of various types of health careers that a hospital offers.
- Acquire community service hours that are so important to have for applications for National Honor Society, college scholarship, college/technical school admission, and jobs
- Develop maturity by learning how to meet and work with other people, including patients and professional staff
- Make new friends and have fun while learning new skills.

REQUIREMENTS TO BE A JUNIOR VOLUNTEER

- Must be at least 13 years old or in the seventh grade.
- Must have permission from a parent or guardian to be a Junior Volunteer and to allow UnityPoint Health to administer a TB skin test.
- Must attend and complete required orientation
- Must be neat, dependable, responsible and possess good judgment
- Must be mature enough to understand and abide by the confidentiality policy.

WORK SCHEDULE

Summer Hours:

Mon., Tues., Thurs., 3:00pm to 6:00pm

School Year Hours:

Mon., Tues., Thurs., 3:30pm to 6:00pm

Saturdays: Only by special assignment.

No Holidays

RECOGNITION

Junior Volunteers are rewarded for their service at an Awards Ceremony in the fall of each year.

JUNIOR VOLUNTEER SCHOLARSHIP

St. Luke's Partners (formerly the Auxiliary) has established a \$500 scholarship to be presented to any Junior Volunteer who has completed a minimum of 400 hours of service and has been accepted to an accredited institution in a health-related field of study.
