The Friends of CMH Foundation was established in 1993 with the sole purpose of supporting and benefiting CMH. Past gifts to the foundation have included capital campaign donations, endowments, bequests, annual donations, one-time gifts, memorials for loved ones, and honorariums (weddings, anniversaries, etc). CMH is a private, not-for-profit facility and does not receive municipal or county tax funding. Gifts from the community are that much more important in helping to improve our facility and services so we can provide exceptional local healthcare. Thank you for your past and continued support. Gifts to Friends of CMH are tax-deductible.
